OUR FOUNDING SCRIPTURE:

[1 Chronicles 9:21-27 Amplified Bible \(AMP\)](#)

21 Zechariah, son of Meshelemiah was a **Gatekeeper** at the entrance of the Tent of Meeting. **22** All those chosen to be a **Gatekeeper** at the thresholds were 212. They were enrolled by their genealogies in their villages [around Jerusalem], these men [whose grandfathers] David and Samuel the seer had appointed to their official duty. **23** So they and their sons were in charge of the gates of the house of the Lord, that is, the house of the tabernacle, as **guards**. **24** The gatekeepers were stationed on the four sides —on the east, west, north, and south. **25** Their relatives in their villages were to come in every seven days from time to time to be with them; **26** for these Levites, the four chief **Gatekeepers**, had an official duty, and were in charge of the chambers and treasuries of the house of God. **27** They spent the night around the house of God, for the [night] watch was theirs, and they were in charge of opening the house morning after morning.
